TP&L WORKS WITH TODAY'S YOUTH HELPING TO PREPARE THEM FOR TOMORROW'S RESPONSIBILITIES

Through its Youth Development Program, Texas Power & Light Company works with and for young people in a wide variety of activities.

For many years, TP&L has made available to 4-H, Future Farmers and other youth groups the facilities of the Youth Encampment Center at its Trinidad generating plant.

TP&L's youth-oriented services and programs include timely films for classroom use, science and social studies seminars, supplementary study materials,

cooperation with Business-Industry-Education projects and others.

TP&L believes in devoting time and effort to prepare young people for the responsibilities they will face as decision-making citizens in their communities.
